How did you hear about our CSA? _____

Pick up day: Friday 12-5pm Saturday 9-1pm (Circle one)

CSA Contract:

1. Upon registration you will need to choose one of the pickup days.
2. Pick up times are Friday 12pm-5pm and Saturday 9am-1pm inside the market at Johnson's Locust Hall Farm: 2691 Monmouth Rd Jobstown. You will not be able to pick up outside of your time frame you have chosen.
3. If you cannot pick up on your day we will need to be notified. We encourage you to send a friend or another family member to pick up your share that week. If not we will donate your box to farmer against hunger. Each shareholder has 1 day they are allowed to carry to a following week. If we are notified beforehand we can arrange to double your share for the prior week or the following. **No cash refunds will be made for missed weeks.**
4. If you decide to leave the program mid season there will be no cash refunds. Based on how many people sign up determines how much we will be planting so it is very important to stick to your commitment
5. Box return is extremely important
6. This is not an organic CSA. We don't want to mislead you in thinking your produce will be organic.
7. Understand Mother Nature can be unpredictable at times. Harvest is dependent on the weather. You will receive an email that informs you what produce and how much you will receive prior to pick up each week.

By signing this I have read and understand everything about our CSA.
